Dear Mrs. Sheppard:

In response to your review of three of our FEC filings, I have enclosed the information you requested. I apologize for the delay in the Commission not receiving the information sooner. I had to research several reports in the midst of the '97 July 31<sup>st</sup> mid-year report. The originals have been mailed to the Commission.

In regard to the Year-end report (11/26/96-12/31/96) the question regarding the Wynn's contributions, both of these were reported on the July 15<sup>th</sup> 1994 quarterly report. A copy from schedule A, page 11A is attached.

In reference to the 30 day Post-General Report (10/17/96 - 11/25/96), Mr. Charles Simpson's was incorrectly reported as General '96 contribution and should have been reported as '98 Primary due to a clerical error. Please see corrected form.

Also reported on the 30 day Post General was a contribution from Mr. Gene Berman. The error was a result of a duplicate record entry, therefore, the contribution on 9/21/95 will remain in the '96 Primary, the contribution dated 9/25/96 will remain in the '96 General and the contribution dated 11/05/96 will show \$700 to remain in the '96 General, bringing that total to \$1000.00 '96 General, with a refund to Mr. Berman of \$300.00.

In reference to the 12 day Pre-General Report (10/1/96-10/16/96), Mr. Ford's contribution of \$1000.00 on 6/25/96, was incorrectly typed into the General and was intended for the '96 Primary. This has been corrected.

In regard to Carol Augustyniak on the same report, there is a re-designation reported for the 9/27/96 contribution in which \$600.00 was redesignated to the '96 Primary, bringing the total to \$1000.00 and a total of \$900.00 in the '96 General.
